A diagram showing a rectangular frame 209 containing a 6x6 grid of 36 small squares, each labeled 210. The frame is positioned on a coordinate system with X and Y axes.

FIG. 53

FIG. 54

Figure 1 is a perspective view of a 3D structure 200. The structure consists of a base 210 and a top layer 220. The base 210 is divided into four rectangular regions 240a, 240b, 240c, and 240d. The top layer 220 is a single rectangular block. A coordinate system (X, Y, Z) is shown on the left. Dimensions 250 and 251 are indicated on the top layer 220.
